

# 7900 Alpha

The alpha series impresses with its outstanding features and exceptional design. With the premium megaSun sunbed, you can have an unforgettable rendezvous in the tanning bed. Perfection meets performance here – feel the difference. The megaSun 7900 alpha combines unique size, optimum performance, maximum comfort and exceptional features.

The user-friendly preSelection display operated on the upper outer part of the solarium enables various comfort adjustments to be made easily and conveniently before tanning. The optional intelligent tanning system intelliSun adapts perfectly to the various demands and wishes of customers and combines three different tanning options. From basic to Mediterranean through to Caribic, each customer is exposed to a UV spectrum tailored to his or her individual needs. The megaSun 7900 alpha creates a feeling of exclusivity and uniqueness.
