

# Space 2000

Choose your individual design from the three different variants of the megaSun Tower space 2000 and give your salon a unique and personal touch. The innovative design of the tower boasts high-quality materials and intense lighting. Noble blue, bright yellow or maybe warm orange instead? Which design suits you best?

All tower models are optionally available with the vibration plate vibraNano – for individual fitness exercises while tanning. Workout for abs, legs and buttocks. Short but effective.
